

HOW TO GET THE PERFECT TEE

Whether you want a Classic-fitting garment, a more Tailored fit, something Slim or a Longer body, we can help. Look for these icons to identify the fit for you.

Tailored Fit

Tailored Fit: Unisex fitted silhouette—a more fashionable look.

Classic Ladies' Fit

Classic Ladies' Fit: A more generous cut than a Slim Fit—a relaxed, feminine silhouette.

Slim Fit

Slim Fit: Very tapered, fitted silhouette for a slimmer female body type.

Long Fit

Long Fit: Added length for a longer, more stylish cut than a traditional silhouette.

NOT ALL COTTONS ARE CREATED EQUAL

Open-End Cotton

Yarn made by spinning together shorter cotton fibers to create a basic, value-priced fabric. Generally less expensive than ring-spun garments.

Carded Ring-Spun Cotton

- Yarn made by spinning together longer fibers that have gone through a process of removing impurities to create a strong, soft fabric.
- Generally higher quality than open-end cotton garments.
-
-

Combed Ring-Spun Cotton

- Yarn made by spinning together longer fibers that have gone through a process of removing impurities while aligning the fibers to create the strongest, softest cotton fabric. Generally the highest quality cotton garments.
